My papa was a great man. He's a man of his word, a man of true hard work and sacrifice for his family. He worked hard and tried his best to be a single father to 3 crazy men. Until he finally became a grandfather to a bunch of crazy kids. He loved us all immensely and only ever wanted love back. He has took in, and took care of each and every member of our family. all 3 of his sons, to all 3 of his sons spouses and children. My papa is the most considerate, loving human being I've ever been lucky to know. And he's apart of the reason I am who I am today. My only regret is not being able to grow fast enough to give him a break, a time to enjoy his life before it was over. my papa is a dedicated father and grandfather. A dedicated city and county worker, and most of all a god fearing man. I'm so grateful to have memories with this amazing man and I pray he visits me more often in my dreams, I love you papa
