Nanay , thank you for welcoming me when I first started coming to Lifegroup. I didn't know a lot of people there other than Jocie and Charles, and you always made me feel so welcome like a part of the family and I will never forget that time I tried chocolate beef. Soooo delicious. Like Jocie says I'm half Filipino now. Your warmth and caring could be felt past the language barrier. And now our Heavenly Father has opened His arms to welcome you into His home for eternity.
