Summer, did your father worked for a CPA firm called Parnell Kerr and Forster and later a land development company and has a phone number 531-7637?If he did, I worked with him in the seventies. I was in the HKF New York City office and I hosted his visit (at a place called Grossingers) there. Just want to confirm.Several years ago after decades of lost connection, he reached out to me unexpectedly (not sure how he found me) asking me to visit his daughter in NYC. I lost the piece of paper I wrote all the information on and have not been reconnected till I saw this accidentally.Â Sam Mokagapresident@gmail.com
