Tricia Coder Obituary

Tricia Mae (Trish) Coder left our Island Paradise on 16 June 2019 to receive an eternal measure of Love and ALOHA from the open arms of our Lord. She leaves behind: her hero, love of her life and husband of forty-seven years, Bob Coder; brother Steve (Tami) Bratton, sister Patina Herrington, nieces, nephews and countless foster kids.

Those that have known and loved Trish can rest assured that her love for the island people will remain here and made evident by the countless souls she impacted through her (and Bob's) compassionate commitment to the homeless on the North Shore. Her warm spirit, genuine hugs and compassion for all those she encountered will be missed. Special thanks to all the dedicated people with the U.S. Special Operations Command

In lieu of flowers, please show your Aloha by random acts of kindness or by making a donation to one of the countless agencies that tend to the needs of the homeless on this island.

To send flowers
to the family, please visit our floral store.

Todd Olson posted:

Trish was my group home mom back in 1976-77 in Bloomington, MN. She and Bob were amazing people who had a remarkable influence on me and the seven other guys they cared for back then. Despite their young age, they were incredibly gifted parents. One summer, we planned an amazing trip to Hawaii. We were not able to take that trip, so we took an amazing trip to Mexico instead. Something I'm sure no other group home kids were ever able to experience. I am not surprised they continued their foster parenting throughout their lives. I will never forget them.

I love you so much!! I miss you and still wake up not believing that you are gone. There is an empty place in my heart. You will live on with all the wonderful things you have done with your life! Your loving sister Patina
