My condolences to Sister Thompson's family. When you see/read an article in the paper about a wonderful person passing, you think of memories. Memories of Sister Thompson is so precious, you see she was my piano teacher. She drove from Waialua to Wahiawa just to teach a somebody like me. She was sooooo patience and as it brings back memories and so loving. So now I play the piano for our church and the credit goes to her. When I would come home to visit my family, I never failed to ask about her. The Lord has truly been good to Sister Thompson. We will remember ya'll in prayer. Sister Thompson was a wonderful, godly woman. She was a great inspiration and encouragement to our family. Her love for the Lord Jesus and reaching and teaching people at home and abroad for Jesus was evident in the life she lived. What a wonderful legacy she left all of us. That will be a glad reunion day in Heaven. Oceans of love and prayers, Scott, Trudy, & Shirleyna Jackson
