I'm in my 60s now, but I CLEARLY remember Gloria taking us kids crabbing which was fun, until... her lunch of bread and canned pork and beans sandwich. I always hated beans but I was famished so I actually bit into it. Surprisingly, I actually liked it AND grew to love it. So..... thank you Gloria for that wonderful day and for introducing me to appreciate pork and beans. :) May you be cloaked in love for eternity!
