Ever so quick with a laugh ... and what a laugh. I chose a green candle as i shared her love of healthy plants. We were often at the mulch pile filling our trucks down in Waimea Valley.

So sadden to hear this news! Any time spent with Anne over the 30 some years I knew her was always great. the years (80's) I helped her with delivering poinsettias to the restaurants in Haleiwa my flower business days always laughing at just about all of life's situations. It was just a joy to run into each other which was less and less but when we did we'd always laugh and talk about what ever was on our minds at that time. Anne was so talented and humble, such a good listener and fun to talk about creative ideas with. I will miss and never forget her laugh her beautiful, loud and true laugh beautiful and true just like her. I will miss her and will always hold her tight in my heart. Love, Aloha and prayers for the family I'm so very sorry for your loss :(
