I would like to offer my condolences. I have found it beneficial to turn to God's word the bible for encouragement. God has promised that in the future "death will be no more" (Revelation 21:3, 4) God never intended for us to suffer from sickness and death. A very important prospect is outlined in the bible at John 5:28, 29 which promises that one day there will be a resurrection (John 5:28, 29) This promise has helped me concerning family and friends sleeping in death because I know a hope exists for them. (1 Thessalonians 4:13, 14) You too, can be confident that this will occur because it is impossible for God to lie. (Hebrews 6:18) May this message bring you comfort and hope.
