A search into the past brings sadness. I knew Ida in 1962 from Wakefield High School and Fort Myers. I enjoyed Ida's family parties with her mother and father and Orlando, Yolanda and Joey. As a terrible letter writer, I never knew of her past 60 years -- my loss. But I will never forget the 1 year that I knew her.

I remember the memories you shared about my mom. You are loved and so missed. It will be like a Patrick Swayze funeral
