**Alex Andrade Jr** posted:

20Sept2018, My heartfelt condolences to all of you. I just learned of her passing today, my apologies for not being able to make it to her services due to my work schedule conflicts. She was a warm and friendly woman, I will remember her for the many conversations we had when I used to commute by bus to work. As well as the many times we visited growing up from small kid times playing with Lucius, and Pua.
