I know I'm a lil early this year. But I wanted you to know that your grandson misses you. Even though he was only 22 months old when you left, he knows. After all these years, he still runs up to people that look like you and tries to grab their hand or get them to hug/carry him, lol. It's bittersweet. Thanks for being so good to him and for loving him. Love and kisses from Makana and me.

I woke up today thinking so strongly of you and my friend Susan Chung-Smith and didn't realize that it was your birthday. No wonder! Happy Heavenly Birthday, Daddy! Now, I just can't stop crying. I can't help it. I'm at work quietly bawling my eyes out like a crazy person. It's been almost 2 years but your lost feels as fresh as if it all happened yesterday. Love u Daddy. I just want you to know that you are so loved.
