Daddy, you are the best! Always worked so hard for your family and sacrificed the best years of your life to send us to the best schools and provide all that we needed and a lot of wants as well. You were always so creative... we had the best upbringing...1st place Halloween costumes, rubber band guns for all the neighborhood friends, hunting, shopping, Aerial firework fights, go cart races, camping spooky stories and even taught even us girls how to throw a punch! The memories we hold in our heart will never fade and the things you taught me will remain....especially how drinking enough water is so important! I love you to eternity and back and know I will see you again in Heaven. I am a daddy's girl and long to be with you, alongside Jesus. Hold a spot for us! We love you and thank you for raising us with all your love, your creativity, and all your heart.
