God bless my friend. Playing against you at Kamehameha; and then with you at Foothill, man you were a class act. Good times at Waimea Bay, going to SFO for concerts...prayers of aloha to your ohana.

Aaron was a 1977 graduate of the Kamehameha Schools and was a stand-out football, basketball, and baseball athlete there.Â In football, he was a three-year varsity player and his stardom began with his "super catch" for a touchdown vs Iolani at the old Honolulu Stadium in 1974.Â He was an ILH all-star receiver for the Warriors in his junior and senior years.Â He also was a star for the Kamehameha basketball and baseball teams, the former which won the Hawaii state championship in 1976.Â

One of the kindest, sweetest uncles I've got! Best memories that quickly come to mind: the tone of his voice and melody of how he said one's name when calling; him putting my hair up with newspaper rubberband (when I was little); him taking me places (also when I was a young girl) and people asking if I was his kid; getting to ride in his old VW van (also during hanabada days); his smile; conversations at gatherings; stopping by whatever bank he was managing (BOH, ASB, etc) to complete a transaction, but to also see and chat with him; him living his best life even through cancer's trials; seeing and hearing his love for Auntie Gretchen, Reyne, Noah, and Brock;and this could go on...
