Happy Heavenly Birthday we all miss you dearly. Hope you and Marley are having fun. I miss having Mr Marley. We love you. Just wanted to share that your trial has finally ended Your dad settled out of court after he went through the appeal. So at the end they were wrong. The time and money your dad spent, your estranged wife took almost 70%. In the very beginning she said she would give it all to your dad. But you know how people are when it comes to money. It's sad when she didn't lift a finger and went back on her word. Anyway your dad did the best he could to get justice for you. He won at the end. Love You Raynette

Hey Stevie it's been awhile. I knows it's late but Happy New Year and Happy Birthday. Just wanted to let you know we had to put Marley to sleep. He was sick, as I'm writing this he should be with you now. We took care of him the best we could. He lived a good life 17yrs. We will miss him as much as we miss you. Love you always.
