I'm sorry for your family's loss.Â I met Garrick (aka Hakaida) through Ingress, during the Darsana anomaly. Since then, I've been aware of his presence via the portals he's taken over or the stuff he dropped (in game). He was one of the most generous people I've known, relentless with our game missions, always there when called upon "game duties," hanging out with us at karaoke and dinners. Truly a salt of the earth. He will be missed dearly.Â
