I have been hoping, wishing, and praying that you are just having fun and enjoying life somewhere cruising and too busy to return a phone call " but it is not you. You will never hesitate to call at 6:00 am or 11:00 pm " anywhere, anytime even if you are loaded with tax forms and that beautiful and amazing, demanding family life of yours " you will return a phone call, but you never did .. pare, you never did" .. I told myself " NO, NOT YET " there so many more things in life. I felt something different, it is a cold, and it hurts. Then I wrote a message on a post it note and placed it in my altar and I lighted a candle. If what I felt was true; I could only wish that you are in a very beautiful and shiny place and your family is OK. I will not miss the last two days that I will see you. I will be there Pareng Jun" I will be there .. with all the love, respect and care to you my friend.. I will really miss you, your smile and your signature moves" You are and will always be the smartest guy that I have ever known " .. You are the best " no pretense " just the best .. only the best " I love you pare! Zam
