Thomas left a lasting legacy on the theater community in Oahu. He provided the lights and sound for so many plays on the stages on Oahu. He was the projectionist and lighting tech on a play entitled Houseless in Paradise that I performed in for Playbuilders Theater Company in 2013 and 2014. He will be greatly missed.

What a beautiful Light that was briefly experienced. Such an experience is not forgotten but cherished. During the moments of feeling emptiness for the loss, the experience of Joyful moments swoop down to cradle me with Love. Thanks for this lasting gift. Vontress
