To Atiga Family, I am still deeply shocked to just hear about the passing of your beloved son and brother. While years ago, I had the great pleasure and honor of serving with Shawn. I remember him been shy in the beginning but later he showed that he had jokes and a smile too. As a father of a young man myself, I can't imagine what you are going through but please find solace knowing that Shawn is in heaven and loving you all from above with a smile. My most deepest condolences to the Atiga Family from mines. I will have Shawn and your family in my prayers. May your beautiful memories with Shawn bring comfort to you all during this difficult times. Sincerely...
