Lio, I am soooooo very sorry to learn about the passing of "your Old Man" and for missing the memorial service last night. My sister Nani is visiting me and she arrived last night. that arrival time was in direct conflict with your "old man's" memorial service at Mililani. I can only imagine the pain of your great loss in this difficult time. It's okay to grieve but remember, the Bible says, "There is an appointed time for everything, a time for every activity under the heavens, A time to give birth and a time to die, a time to plant and a time to uproot what was planted...a time to weep and a time to laugh...A time to keep and a time to throw away." Love you, Lucy
