Please accept my sincere condolences for the loss of your dear loved one, Grace. No words could ever convey the pain of your heart but our loving Creator and Heavenly Father does know. He has promised that very soon this enemy, death, and all the things that bring our hearts pain, will be a distant memory-Revelation 21:4. Until then please find comfort in knowing that "He is close to those broken at heart and those crushed in spirit he saves"-Psalm 34:18. It is my hope that these passages along with your loving memories of Grace, comfort your hearts and give you a measure of peace during this most difficult time.

Contacted Grace Hew Len as Director Combined Hickham-Pearl Harbor Bases in order to obtain information on the 7 December 2015 Ceremonies. Grace took my information by email and phone and provided access to the box Makalapa and Lockwood Halls for three years running. My daughter Debra Caires who teaches Computer Science at San Jose State University both took Grace and her husband to lunch at Bebe's Cafe, Hale Koa and while there gifted her a full manicure treatment certificate for services rendered Grace will forever be remembered as an example of what a Director should be Fairwinds and following Seas to her. Her husband will forever keep her memory close to his heart. Sincerely, Frank Broz, Master Chief Radioman, USN-USNR Korean War Veteran. On Facebook.
