My big brother Alan, we are heartbroken over losing you but your crazy, fun-loving character will forever be in our hearts and prayers. Through the tears we somehow also find laughter in reminiscing about the funny times with you. Thanks for all the laughs growing up. I thought you would be with us for a long time more but you're not. Kiss Daddy for me and give him a big bear hug please. You were an awesome Son, brother, husband, and father; we will have to carry on without you but you will be sorely, sorely missed. We will take care of Bay, Bryson, and AJ the best we can in your absence. A hui hou until we meet again. Love you, Alan Dale.

My dear nephew... thank you for taking the time from your busy day at work two years ago when I, along with my husband, Tommy, and niece, Claudette and husband, Leo, came to Hawaii to visit. You were so gracious to take the time to lunch with us and share memories of times past when you were a young man. Your love and smile will forever live in my heart. Tell your dad, my brother, that I still miss him, as I will miss you.
