Hi mama, I'm at work right now thinking about you. Your birthday is in a few days. I'm not sure if anyone remembers...I didn't text anyone or remind them but I think they know. Anyway, I wonder what you're doing in heaven celebrating your earthly birthday. I think of you dancing to 70's ethereal songs and you're so happy and dreamy. I love you!

Hi mama! I see someone left you a candle :) That makes me so happy! Yesterday was your "anniversary." I don't like that word lol. You deserve something more fitting. We tried "Celebration day" one year-but it just didn't fit. But we trying. Anyway how's heaven ma? It's strange there are so many videos of us growing up but hardly any of you since you were behind the camera. It's a shame- but I'm grateful that you took them I just wish there were more of YOU. Hehe. I never realized how pretty you were. Like, I always knew, but I guess I didn't realize or know just how rare your pretty was. I love you ma. I miss you what feels like even more. I miss your voice and your hands and just the way you made me feel. I'm sad but I'm learning to keep going. I really want to go to Disneyland in the winter. Anyway I'm stalling because I just want to spend more time with you. But I know you gotta go. Important angel business to attend to I get it. I love you my mama. My beautiful lehdeh. Muah muah muah.
