My brother-in-law was the best loved his kids loved his family would help anybody at any time surely will be missed and always in my prayers for I gave him a Harley to drive in heaven and to come and visit us at anytime. That made him very happy for that is what his last wish was too ride again and I know he's our guardian angel meeting with all his friends that is gone with him and family . Pocho will be greatly missed and my memories of him will always be there. The fun times we've had in Ewa Beach forever. As a family. Love you forever. Stanley boy Mugs Kanani and Ipolani
