A candle was lit by Kriselle Ragasa on April 28, 2017 11:30 PM I miss you Papang and I always will. I still feel you around us and it warms my heart every time you visit us. You're an exemplary man who lived a full and colourful life which you've built with Mama over the years. I hope you are proud and we will always strive to make you proud as we continue on our journey here until we get to reunite with you again :) I love you very much!
