I'm Robert Kong & I knew Donnie since I was working for GSA since 2003 in Oakland, Ca. I got transferred to the Hawaii Office & Donnie came my Client. He was always happy and never got mad. After GSA I worked for Asia Pacific Telcom and asked Donnie to join me as an Executive Sales Associate. We worked from home and he was always up so early to call on clients & companies. Donnie always got the most clients. But he never bragged about it. Very modest guy. I'm going to miss Donnie and having lunch with him. Aloha Donnie and have a good after life. From your co-worker Robert.

I just found out that Donnie has passed from us. I knew him well and spent time with him in Guam and service in Hawaii later on. I extend my deepest condolences to his family and friends. He was my friend I was honored to have spent time with him in this earthly life. I don't know how he died so young but his gentle sweet spirit will be near me always. This is sad news for me he was too young! Signed Steven Eversole, Mokulumne Hill Ca.
