My first cousin - we knew him as Uncle Fau. He'd be one of the few that passed thru our home during PCS or R&R. My Dad's nephew, son of his sister Puleai. She was the eldest of their line of siblings. I miss those get togethers because there was always the acoustics being played and the melodious tunes that I associated with Olosega, Manu'a. Manuia lau malaga, Cousin. May the Good Lord comfort Auntie Pam & the children today & always. O Ma Iesu.
