VICTOR PALOMARES Obituary Victor Joaquin Palomares

Born on July 11, 1963, to Raymond and Francisca Palomares. He is the youngest of four children. He has one sister and two brothers.

He grew up in Wahiawa town, attended Our Lady of Sorrows Catholic school, Wahiawa Intermediate School, and is a graduate of Leilehua High School class of 1981.

He served in the US Air Force, Active duty and Reserve units, and retired in 2016. He also had a career as a Mixer Truck driver, heavy equipment operator at Hawaiian Cement, and retired in 2017.

He is survived by his wife of 31 years, Audra. They were divinely appointed to be joined as one; she is the love of his life, and he, her “knight in shining armor.” They have five children, thirteen grandchildren, and one great-grandson. Children are AsherRay Palomares (Son), Aeshalani Palomares-Nava (Daughter), Son-in-law Michael, and Grandson Marshall, Aaremy Palomares (Son), grandsons Ares, Aarex, Ayden, Anthony Palomares (Son), Daughter-in-law Lori, granddaughter Leimya, and grandsons Achilles, Apollo, Atlas, Aurie Halmos (Daughter), Granddaughter Anuheia Halmos-Lopez, Grandson-in-law Diego, Great grandson Keoni, and Grandsons Chaedez, Casheus, Aedrick, and Averick. Also survived by siblings Cecilia Tamondong (Sister), brother-in-law Nick, Nieces Kristi Kitaoka husband Vance, Terese Houghtailing husband Nate, Nephew Tracy Tamondong wife Angela, Vernon Palomares (Brother), sister-in-law Carolyn, Niece Tihani Palomares, Vincent Palomares (Brother), sister-in-law Debbie, and only remaining Aunt Angeline Repetti. Grandnieces and grandnephews. Also, an abundance of relatives who called him Uncle Vic hold a special place in his heart.

From an early age, Victor began to play soccer and continued to play in his adult years. Also, as a teen, he enjoyed riding dirt bikes and started going to the beach to body surf and surf. He loved

going to the beach everywhere on the island to swim, body surf, surf, and in the last 20 years, stand-up paddle surfing (SUP). Victor accepted the Lord Jesus Christ as a teenager and throughout his life lived as best he could to share the love of Christ with his family, friends, people he met, and serve his Lord and Savior. In his adult years, he also casually liked to go golfing and bowling until his injuries made him give them up. He was a passionate water person and spent as much time as possible at the beach. He tried to get in the water to surf as much as possible, and he also appreciated searching and collecting shells along the shore. He loved walking outdoors, no matter the weather, sunny or rainy, in the forest and mountains, throughout the years, always taking along his furry companions Angus, Honey Girl, Hachi, and, in the latest few years, Big Boy. Victor also genuinely enjoyed playing music and, in his teens, started playing percussion instruments. He also played the drums and the bass. Throughout the years, he played with several different musicians and bands. To name a few, Simplicity and Kelly Boy of Kapena. The most recent and longest band he stayed a part of is HI Altitude, a trio with Wilson Cabanit and Reyne Lorenzo. All were born and raised in their hometown of Wahiawa. He also has lifelong friendships that he treasured, knowing each one was placed in his life and has always been grateful. He also studied several martial arts, including Kajukenbo, Escrima, Chi Gong, Kung fu, and Tai Chi, to foster his well-being. The connections he made most recently gave him tranquil moments that he treasured.

Victor passed away on Tuesday, June 24, 2025. He will be “forever in our hearts”. He has always worked tirelessly to provide for his family and give them all that he could. We will hold onto his sweet smile, warm spirit, laughter, and funny rascal disposition.

Victor, you weren't very much of the Loando Ohana growing up. If it was not soccer with Chris, David, or the rest of the boys chasing that goalless soccer ball at Fred Wright Park at night. To Back doors- pipeline- founders. Or dirt bikes across the east range to Crosley ranch hill climbing. And fruit tree raids. lol best mango back then. The memories of the days of our youth still Fly like a bird. Many stories untold. And yet they are remember. Be assured of our continue prayer through the passage of this life. Until we meet again. " A Hui Hou - brother" you will be miss by many.

Victor was a student in our kajukenbo school HKA for several years. He was competitive and brought the best out of you when you trained with him. He was very respectful to us instructors and his fellow classmates and always came to class with a big smile. He was one of my great friends that I would invite or go out with when ever I went out to socialize. I'm shocked that he is no longer with us but reading his bio I'm glad he accepted Jesus Christ as his Lord and Savior. He will be missed as a brother in Kajukenbo and as a dear friend of mines. My heart and condolences goes out to his family and may his memory continue to shine in each and everyone of his family members. God bless you Victor and rest in peace my brother! Nelson V
