Rosemarie Dungca Obituary

Rosemarie "Maring" Dungca, was born in Hilo, Hawaii on December 22, 1940. She passed away peacefully surrounded by her beloved family on June 1, 2025.

She moved to Oahu in 1950 where she became a lifelong resident of Whitmore Village. She met her husband Raymond "Toge" Dungca while attending Leilehua High School and God blessed their union through marriage on August 2, 1958.

She worked for Dole Pineapple Company aka: Pineapple Pavillion working in sales and performing for tourists by singing and playing the ukulele for 11 years, since 1967.

She worked for the City & County of Honolulu from 1978 to 2025 as a Program Aide. She was reputable and highly respected in her community.

She danced with Kumu Hula Hokulani DeRego and was later given the blessing of creating her own Halau under the name "Na Leo Nahenahe O Na Kupuna" in 1983. She established her own band of musicians to perform accompaniment for halau performances. She dedicated her craft of teaching hula and ukulele to many.

She was well known as the pillar of her church, Our Lady of Sorrows, and of the church community. Her strength and devotion came from her faith which was insurmountable.

Mom and Grandma Dungca was the kindest and most loving woman 🥰😍❤️😭❤️. She was like a mom and grandma to my girls and I, especially after we moved back to HI. She and the rest of the Dungca Ohana were like family to us and my girls always wanted to be around them for holidays or just to hang out on the weekends. We had the best times camping or just hanging in the back yard. She was always giving of herself even when she was tired or not feeling the best. Mom, I will always treasure all of the memories you gave to my girls and I. Thank you for treating us like family for all of those years. You will be missed and will remain in our hearts forever. 🙏❤️😭. Luv you, Momo, Christi & Katie

I had the privilege of meeting Ray and Marie thru her beautiful daughters Raychelle and Vee. When I first met them I was touched by their kindness and Aloha spirit! I will never forget Marie's smile and the warmth in her beautiful eyes. It left me with an impression of "what a beautiful kine soul, so full of wisdom, with so much Aloha." It left an impression within me, and truly made my heart smile. Upon meeting again this year in their hale, that smile in my heart and warmth still resonates within me. Thank you God for Marie such an amazing human being. She has left a bright light for all who has had the privilege to know her, Raymond, and the entire Dungca Ohana.

It is with profound sadness that I say goodbye to my Auntie Marie, a woman whose kindness, love, and unwavering spirit touched us all so deeply. Her passing leaves a void in our hearts, but her memory will forever be a source of comfort and inspiration. Auntie Marie had a truly remarkable gift for making everyone feel loved and welcomed. From the moment you stepped into her home, you were enveloped in an embrace of genuine warmth. Her house wasn't just a place; it was a feeling – a feeling of belonging, joy, and unconditional affection. For me, especially my childhood, some of my happiest and most cherished memories were made under her roof. Her deep love for her family was evident in everything she did. I will forever remember her leading us in the family prayer before every meal, a tradition she upheld no matter where we were. It was a beautiful testament to her faith and her commitment to bringing us closer as a family. She was also a true fighter. She faced numerous health battles throughout her life, but she approached each one with incredible resilience and grace. Despite her struggles, she never let it diminish her spirit or her ability to make us feel her love and affection. She truly never missed a beat when it came to showering us with her warmth. Auntie Marie's legacy of kindness, compassion, and unwavering love will live on in all of us. We are so incredibly fortunate to have had her in our lives, and while we grieve her loss, we also celebrate the beautiful life she lived and the profound impact she had. She will be deeply missed, but never, ever forgotten.
