We're do I begin Dad. I want to thank you for loving and accepting me as your own daughter. From the very beginning you were the one who created the family I have today You and mom have always been there for me and I'm so grateful for everything you both did for me and my family. I will always love and cherish the memories that we shared together as a family. Thank you for being the best dad ever. Give mom a big kiss and hug for me. I will always love you both forever and close to my heart ♥ like mom would say love you all ...

Hey Pops... it's me Poohman... not sure how you and mom ever came up with that nickname but that's what the whole family knows me as... You and mom have always been there for me through both good and bad, taught me how to appreciate all things that life can throw at me. Picked me up when I was at my lowest of lows and told me good job with all of my accomplishments/achievements. Welcomed my Family as your own kinship and I will pay it forward with their future families. I will miss our chats both good and bad.. Our karaoke nights... our Friday evening grill sessions... welcoming every new year with a bang and just hanging out... I hope you and mom are happy to be back together.... It's not goodbye but until we meet again! LOVE AND MISS YOU BOTH...

Love you Dad. So thankful to have been able to see and speak with you one more time. Thank you for welcoming me into the family, for being so kind, funny, positive and encouraging. I will miss your stories, your smile, your songs and voice. Especially the musical way you'd greet Liam and Ally and the way you'd look at Ed with pride. Thank you Dad, you'll be remembered with love.
