Denise Yorong lit a candle in honor of Clarence.

My brother was a special person inside and out he can walk in a quiet room and he would do something and everyone would laugh. He loves kids my grandkids loved there Uncle Darryl.. there's never a dull moment when ur with him.. he would do crazy things like if you would go to a grocery store with him and if he wanted to eat something like chips or candy he would just take and open it up and eat it.. I'm going to miss you my brother.. I love you .. until we meet again.. tell everyone I said Hi 🤝.. the day is almost here to say our last goodbye's...there's never a day that goes by that I don't think about you.. I know you was with me the other day visiting me at work .. (a little moth was flying around me at work)
